SPECIAL ECONOMIC ZONE

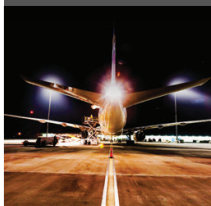

## DUBE TRADEPORT SPECIAL ECONOMIC ZONE'S ONE STOP SHOP (OSS):

---

This facility has been developed to provide support to businesses operating, or planning to operate, within Dube TradePort Special Economic Zone. Dube TradePort OSS serves as a single point of contact for clients, acting as their interface with various government agencies and departments.

Offerings at the OSS include assistance with registrations, licensing and visa services, as well as investor after-care services. The OSS also provides administration services on a range of business enquiries pertaining to Dube TradePort Corporation's operations, including IT, logistics, security and cargo services.

---
