---

## **ATTENTION PROSPECTIVE BIDDERS**

All bidders are hereby advised that an incorrect pre-qualification criteria was published in the tender advertisement which was issued from the 17<sup>th</sup> to 19<sup>th</sup> May 2019 for RFP number **DTP/RFP/32/IFR/11/2018: REQUEST FOR PROPOSALS FOR THE PROVISION OF AD HOC ENGINEERING SERVICES FOR DUBE TRADEPORT CORPORATION FOR A PERIOD OF 3 YEARS**. This has since been rectified accordingly. An erratum notice will be published to this effect.

Therefore, all prospective bidders are to note the changed dates in the bid document versus those in the original tender advertisement. The corrected dates (changed dates) as per the actual bid document also account for the issuing of the erratum in the Government Tender bulletin as well as other media, which will appear on the 31<sup>st</sup> of May 2019.

The dates shown in the actual bid document are the correct and valid dates which will apply in this tender process.
